

Approaches to Learning Activity for 24 to 30 Months

Free Like the Wind

This game encourages creativity and also gives children a sense of balance and control.

Materials:

- Scarves
- Music

What to do:

- 1. Play some instrumental music as you and the child dance with the scarves.
- 2. Swoop the scarf high into the air and then low to the ground.
- 3. Hold the scarf out as you turn in a circle.
- 4. Dance with the child as you both hold one end of the scarf.

Encourage the child to "show" you how to dance with the scarf.
