This year, skip the neckties, socks, and fancy soaps. The best holiday gift you can give parents of young children is your help and support! Give parents a break by spending time with their children. Deliver dinner. Listen if they need to blow off steam. Take mom or dad out for a walk or ski without the kids. You get the idea. Your support makes a fabulous gift. This message is brought to you by Best Beginnings Alaska dot o-r-g and this station. (:30)
