

BOOK TITLE: **Wake Up, Sleepy Bear**
AUTHOR: Christine Morton-Shaw and Greg Shaw

SUMMARY OF BOOK: This fantastic book invites children to the wonderful world of the forest. It allows children to see how many different animals live in the forest as well as how they wake up in the morning.

*BEFORE READING (Ask questions and use what the child already knows to add to the discussion, assisting the child in understanding and enjoying the book):

1. Talk with your child about the cover of the book.
2. Take a "picture walk" through the book, and talk about the pictures before reading the book.

DURING READING:

Stop frequently as you read the words to make the connection to the illustrations. After reading, point out what is happening in the pictures that connects to the words you have just read.

AFTER READING (activity to extend book experience):

Re-read this book to your child. Try singing the words; vary the tone of your voice so that it is loud in some place and soft in others; enjoy the poetry of these words!
